PROFILE

A dedicated and results-driven automotive technician with hands-on experience in vehicle servicing and repairs. Skilled in diagnosing mechanical issues and performing both minor and major repairs on buses and small cars. With a solid educational background in mechanical engineering, I aim to leverage my skills and knowledge in a challenging entry-level automotive technician position at a respected organization. Committed to contributing to high standards of workmanship while maintaining a strong focus on customer satisfaction and vehicle reliability.

EDUCATION

Central Johannesburg College
Mechanical Engineering N3
Completed: 2008

Forte High School
Matric
Completed: 2006

SKILLS

- Microsoft Office Suite (Word, Excel, PowerPoint)
- Advanced automotive diagnostic skills
- Problem-solving and troubleshooting
- Diesel engine servicing and repair
- Vehicle servicing and maintenance
- Minor and major repair techniques
- Strong communication skills
- Ability to work independently and in a team environment
- Attention to detail
- Time management and prioritization
- Customer service expertise
- Vehicle safety and roadworthiness standards
- Advanced driving techniques (BMW)
- Mechanical assembly and disassembly
- Inventory management
- Workshop safety protocols

EXPERIENCE

Springbok Atlas
Diesel Mechanic
April 1, 2024 – Present

- Perform diagnostic assessments and repairs on diesel engines for buses and other heavy-duty vehicles.
- Conduct scheduled maintenance on diesel-powered vehicles, ensuring compliance with industry standards.
- Specialized in the maintenance, repair, and diagnostics of Scania and Mercedes buses, ensuring optimal performance and compliance with safety standards.
- Troubleshoot complex mechanical and electrical issues in diesel engines.
- Overhaul and repair major diesel engine components, including fuel systems, turbochargers, and cooling systems.
- Work closely with the team to maintain workshop safety and cleanliness.
- Ensure that vehicles are tested and meet roadworthiness and safety standards after repairs.

Springbok Atlas
Mechanic Assistant
December 2015 – 2024

- Perform routine servicing of motor vehicles to ensure optimal performance.
- Conduct minor repairs on buses and small cars, ensuring repairs meet safety and quality standards.
- Assist with parts collection and transportation from spare parts stores to the workshop.
- Collaborate with the workshop team to maintain workflow efficiency.
- Test repaired vehicles to ensure functionality and roadworthiness.
- Maintain a clean and organized workshop environment to ensure safety and productivity.
- Conducted engine overhauls, transmission repairs, brake system servicing, and electrical troubleshooting on Scania and Mercedes diesel engines.
