Being an enthusiastic individual with a safe driving experience of more than five years, I am interested in applying for the position of a driver. I understand that you are looking for someone who has experience in driving and I fit the profile perfectly. I am familiar with all locations and addresses around Johannesburg and Pretoria and possess the ability to read maps and use the GPS to navigate places that I have not had the opportunity to venture into. Additionally, I understand that a driver's work does not end at driving the vehicle but there are other tasks that has to be performed.
