Objective

A highly-trained Safety, Health, and Environmental (SHE) Officer with a strong foundation in Occupational Health and Safety (OHS), and Risk Management. Proven ability to conduct detailed safety audits, develop and implement effective policies, and perform accurate data management. Seeking to utilize extensive training and practical experience to contribute to a successful, safety-conscious, and professionally growing environment.

Experience

- **TSK INTERIORS** FEBRUARY 2025 - JUNE 2026
  JUNIOR SAFETY OFFICER
  • Conducted comprehensive safety audits and risk assessments to proactively identify potential hazards.
  • Developed and implemented new safety policies and procedures.
  • Investigated incidents and accidents.
  • Provided safety training and awareness programs.
  • Monitored workplace safety and health standards.

- **GREY HORN TRADING** MAY 2024 - SEPTEMBER 2024
  SHE REP
  • Participated actively in safety inspections and inductions.
  • Identified and reported hazards and risks on-site.
  • Provided feedback to management on safety concerns.

- **DLN CONSULTING** JULY 2022 - NOVEMBER 2023
  DATA CAPTURER
  •Executed data recording with precision and meticulous attention to detail.
  • Verified and validated data to ensure accuracy and reliability.
  • Maintained rigorous data security protocols to protect sensitive information.
  • Collaborated effectively within team environments to meet shared objectives.
