## SA Youth's Assessments and Screeners

### Problem-solving capability

Completed Apr 2024

About

Measures fluid intelligence, the ability to reason, adapt, and solve new problems independently of verbal skills, without relying on prior knowledge. Developed with a clinical psychologist, benchmarked against industry standards, and linked to real-world success.

Result

Solves functional problems by finding key rules, adapting to changes, ignoring unnecessary details, and weighing options. Finds connections between actions and results, using past knowledge to improve solutions.

### Behavioural profile

Completed Nov 2022

About

Measures essential soft skills including grit, motivation, and a growth mindset. Developed with Oxford University and J-PAL. Results are validated against real hiring decisions, and indicate potential success in various roles.

Result

Scored highest on grit. People with grit have perseverance and determination when working on challenging problems.
