RE: Application for a job

Dear sir/madam

As a highly motivated and hardworking dedicated person with strong interpersonal and communication skills, I would like to apply being part of your company.

I have been extensively involved in my school and community organisations, which has allowed me to develop strong interpersonal skills and working as an assistant carpenter during school holidays as a side hustle has help me gain experience in wood furniture . Working at Sneakers as an sales assistant(contractor)has helped me gain more communication skills and being able to spiritual connect with different and difficult customers.

These experiences have allowed me to develop strong time management and organisational skills, which i see being very important when seeking to work in a casual employment.

Personal attributes that i believe make me suitable for being part of your company include :
***Motivation** : volunteering at Charlie's Furniture has helped me gain more experience in hard working environment.
***Communication** : working at Eatfresh canteen helped me on being able to communicate and learn how to deal with difficult customers.
***Customer service** : working at a retail store at Sneakers International Pty Ltd has helped me improve customer service.

I am aware that you will receive a large number of applicants for being part of your company , but i would very much appreciate the opportunity to demonstrate my capabilities to you in person.

I believe that i have a lot to offer your organizations. I am keen to develop my professional skills and look forward to discussing my application with you at an interview. I have enclosed a copy of my resume for you consideration. I can be contacted at all times on the details provided above.
Thanking you in advance for your time,

Hlengani
