Cover Letter

Christopher Delisa Mahlangu

Dear Human Resources Manager,

Please find enclosed my CV for your perusal applying for vacancy at your company

I have gained experience in the logistic industry including receiving and dispatching freight from a warehouse and as a long-distance driver

I possess a thorough understanding of passenger and cargo related logistics and have a natural feel for the industry.
I have previous experience with high-net worth individuals as a salesperson and driver when working with new people

The following are some highlights of my personality and skills which may be an asset to your company:
• Confident communicator with good interpersonal skills
• Good sense of humour with an open, warm and friendly character
• Hands-on attitude
• Flexible approach with attention to detail and the ability to overcome obstacles
• Hard working and dedicated with a passion for customer service

My greatest strength is building client relationships through service excellence and trust.

I hope this finds your highest considerations

Regards
Christopher Delisa Mahlangu
