Summary

A dependable and hardworking Code 14 driver who takes pride in being punctual, responsible, and safety conscious. I am comfortable working independently or as part of a team and understand the importance of treating people and vehicles with care and respect. I follow instructions well, adapt easily to different tasks, and remain calm when working under pressure. I am always willing to assist where needed and take pride in completing my work to a high standard.

Experience

Jijizi (Pty) Ltd | Driver **2022 – 2024**

- Safely transported goods and materials to various destinations while following road and company safety requirements.
- Conducted routine vehicle checks and reported any mechanical or maintenance issues when identified.
- Assisted with loading and unloading goods, ensuring items were handled carefully and securely.
- Planned and followed suitable routes to ensure deliveries and collections were completed on time.
- Maintained a professional and respectful attitude when dealing with customers, colleagues, and other road users.

2024 – 2025

AddSunshine Bakery | Driver

- Delivered bakery products to customers and various locations safely and within scheduled timeframes.
- Ensured goods were properly loaded, secured, and handled with care to prevent damage during transportation.
- Checked the vehicle before and after trips and reported any faults or concerns to the relevant person.
- Assisted with loading, unloading, collections, and other duties as required by the team.
- Maintained accurate delivery routines while providing friendly and professional service to customers.

professional outlook

I am a person who believes in honesty, respect, and giving my best in everything I do. I value growth and see every new experience as an opportunity to learn, improve, and become better at what I do. I am open-minded, willing to take on challenges, and believe that a positive attitude can make a difference in any environment. I treat people with respect, take responsibility for my actions, and always strive to leave a good impression through my character and work ethic.
