MPITLEDI DANIEL MOELETSI

Germiston, Gauteng | 072 952 5029 | lefamoeletsi@gmail.com

PROFESSIONAL SUMMARY

I am a Driver and Crane Operator with 11 years of work experience,7 of which have been in professional driving, heavy vehicle operation, crane handling, and construction site logistics. I operate vehicles and lifting equipment safely and efficiently, ensuring compliance with road safety regulations, company procedures, and site-specific safety standards.

My experience combines technical crane operation with responsible driving practices, route planning, load securing, and timely delivery of materials and equipment. I support construction and operational teams by transporting goods, positioning heavy loads accurately, and maintaining strict adherence to safety protocols. I conduct daily vehicle inspections, monitor mechanical performance, and ensure that all documentation and operational checks are completed accurately.

With a strong understanding of construction environments, I contribute to smooth site operations through reliability, precision, and situational awareness. I demonstrate discipline, accountability, and a proactive approach to risk management, ensuring the protection of assets, colleagues, and the public. My background enables me to adapt to demanding schedules, varied terrains, and high-pressure environments while maintaining service excellence and operational efficiency.
